

# LARAVEL

CLASE 09

# APIs JSON

The background features abstract, overlapping geometric shapes in various colors including green, blue, orange, red, and purple, creating a modern, layered effect on a light gray background.

***Una API puede considerarse como un conjunto de funciones y rutinas diseñadas para ser utilizadas por otro software, lo que ofrece una gran ventaja a la hora del desarrollo de aplicaciones multiplataforma pues de esta forma podemos concentrar toda la lógica del negocio en un solo lugar accesible desde muchas otras aplicaciones o programas.***

The background features abstract geometric shapes in the corners. On the left, there are overlapping shapes in shades of green, blue, orange, and purple. On the right, there are overlapping shapes in shades of green, blue, purple, and orange. The central text is black and bold.

# Laravel Mix

Manejo de assets

The background features abstract, overlapping geometric shapes in various colors including light blue, green, cyan, magenta, red, orange, and purple, creating a modern, layered effect.

```
npm install
```

```
npm run dev
```

```
// o
```

```
npm run watch
```

```
// en nuestros blade.php  
{{ mix('js/app.js') }}
```

The background features abstract, overlapping geometric shapes in various colors including light blue, green, cyan, magenta, orange, and red. These shapes are arranged in a way that creates a sense of depth and movement, framing the central text.
